1 Installation Instructions

IMPORTANT NOTICE

Remove power from the Fastrack Supreme before installing this accessory. Failure to do so may result to injury or damage to the product.
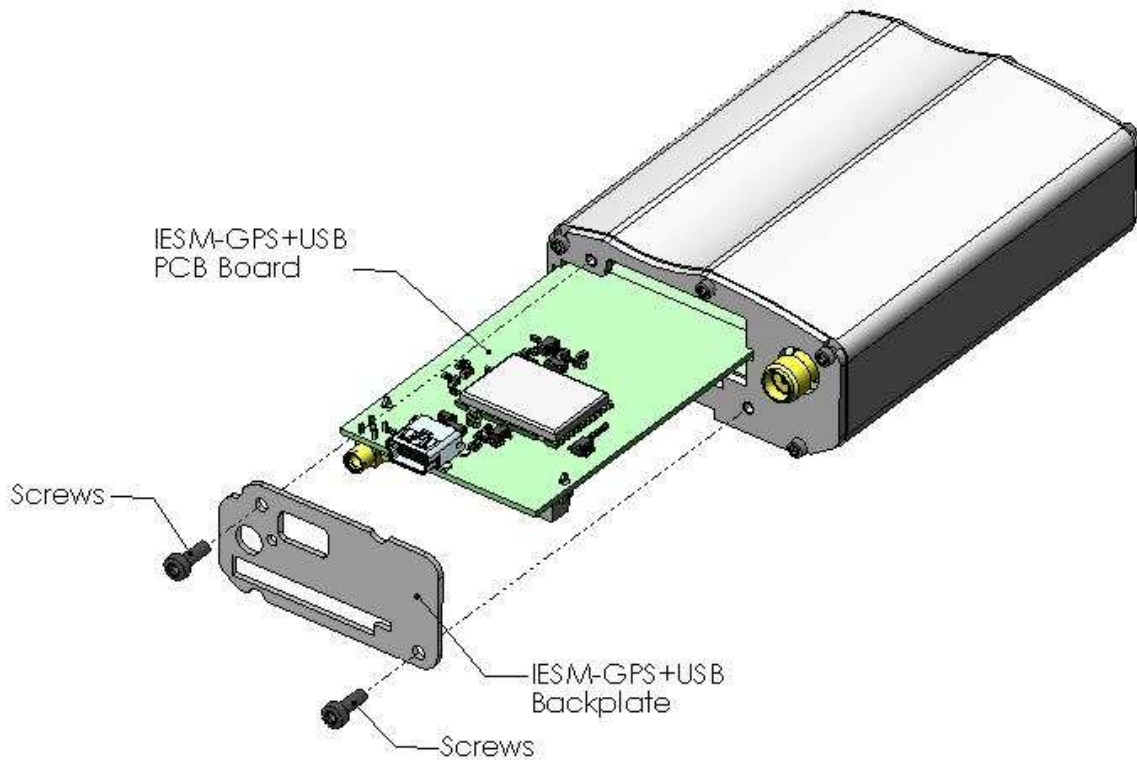

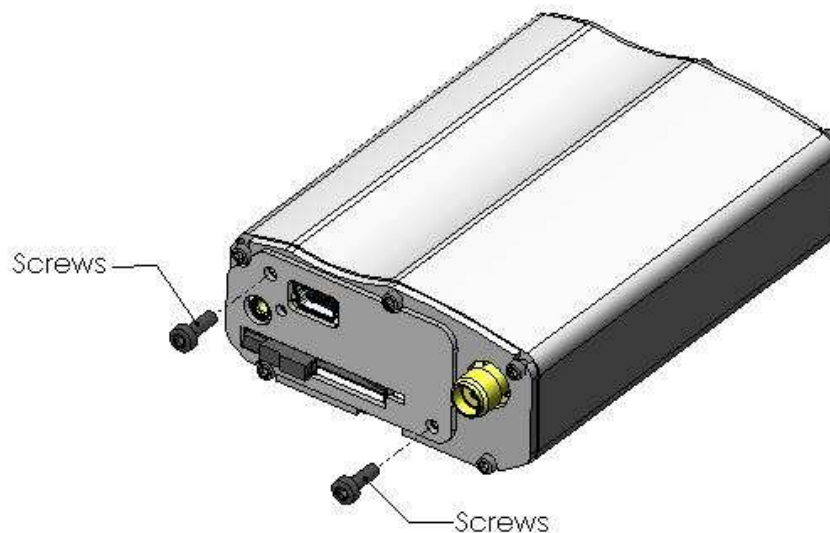

Step 1: Remove the two screws of the backplate

Step 2: Remove the original backplate

Step 3: Align the IESM-GPS+USB board on the guide rail inside the Fastrack Supreme. Slide the board until the 50 pin connector mated.

Step 4: Place the new IESM-GPS+USB backplate provided and place back the two screws.
